FOR IMMEDIATE RELEASE

AMI ASSET MANAGEMENT PROMOTES PORTFOLIO MANAGER AND ANALYST

Los Angeles, CA – December 5, 2017 – Andrew Zamfotis has been promoted to the position of Portfolio Manager and Darrin Mainstain has been promoted to Senior Equity Analyst. The pair will continue to work on AMI Asset Management’s Small Cap Growth, Large Cap Growth and SMID Cap Growth strategies.

Previously, Mr. Zamfotis served as a Senior Equity Analyst for the firm where he covered the Technology and Consumer Discretionary sectors. Prior to joining AMI, Mr. Zamfotis was a Senior Analyst at EVA Dimensions, an equity research firm focused on economic profit based models whose clients manage over \$100 billion in assets. Prior to EVA, he was a Senior Analyst at the long/short hedge fund Legarde Capital Management in New York City. Mr. Zamfotis began his career at the Halyard Capital Fund, a private equity fund where he was responsible for the Fund’s investments into Technology, Media, Internet, and Telecommunications companies. He holds a Bachelor of Science in Finance and Information Systems degree from New York University’s Stern School of Business where he graduated with honors. Mr. Zamfotis is a CFA® charterholder and has been with the firm since 2015.

“Andy has proven to be an invaluable member of our research team since he’s been with the firm,” said Mr. Sessing, the firm’s Chief Investment Officer and the lead portfolio manager for all three equity strategies. “He’s shown great skill at evaluating companies in his sectors of responsibility and he is already heavily leaned upon when contemplating moves within our portfolios.” said Sessing.

Additionally, the firm promoted Darrin Mainstain to the position of Senior Equity Analyst. Mr. Mainstain started his investment career at AMI where he began as a Junior Equity Analyst supporting Mr. Sessing before progressing to providing coverage of the Consumer Staples and Discretionary sectors. Prior to this promotion, Mr. Mainstain was an Equity Analyst covering the Producer Durables, Materials, and Energy sectors where he will continue. He is a graduate of the

University of Southern California where he earned a Bachelor of Arts in Economics degree. He is also a CFA® charterholder and has been with the firm since 2007.

“Darrin has earned this promotion through the continued value he has added to our research efforts. His consistency within his coverage areas, along with his ability to add to the discussion outside of his areas of focus, makes us a better team. He is a true asset to the firm,” said Sessing.

About AMI Asset Management

Founded in 1994, AMI Asset Management managed approximately \$1.8 billion on behalf of institutions and individuals as of September 30, 2017. The company manages three institutional equity strategies, including U.S. Large Cap Growth Equities, U.S. Small Cap Growth Equities and U.S. SMID Cap Growth Equities.
